August 8, 2023

Dear Kensington CAPA Families/Staff/Students,

August is National Immunization Awareness Month (NIAM), a time to acknowledge the efforts of healthcare providers to people of all ages against vaccine-preventable diseases through on-time vaccinations.

This month, I am asking you to join Kensington CAPA to do our part to show our appreciation to our healthcare providers – our school nurses. The best way for families and students to celebrate NIAM is to ensure that you are up to date on the immunizations required to attend school. **Please visit the [School District's immunization website](#) to learn about the immunizations your child is required to have before school starts, and how to submit proof.** You can learn how to apply for a medical, religious, or philosophical exemption.

Healthy students lead to successful students. I look forward to welcoming your kids back to school in September for a successful school year!

Sincerely,

*Ms. Patricia McDermott*
